## **LAUNCH OF EARLEY LAW FIRM, PLLC AND NEW LEGAL WEBSITE**

**FT. LAUDERDALE, FL - JULY 21, 2016.** Earley Law Firm, PLLC is pleased to announce the launch of its firm and fully-featured legal website [www.earleylawfirm.com](http://www.earleylawfirm.com). The firm offers its clients the best of both worlds: legal services as you would expect from traditional top tier law firms combined with the practical approach, personal dedication, and value of a boutique firm. Founding attorney Kaysia Earley adds: "On a case-by-case basis, we address our clients' needs by offering tailored representation without compromising quality of representation. When analysing each case, we cut **straight** to the core of the issue, ensure the case progress is moving **forward**, and zealously advocate all the way to **litigation**." Further, "Earley Law Firm intends to expand. We'll recruit associates over the next couple of years, and expand our litigation practice." Mrs. Earley and staff are actively involved in their community, participating in and supporting various organizations. Information on all the firm's areas of practice are featured in depth on the website.
